PROFESSIONAL SUMMARY

Project and programme management professional with 5+ years of experience spanning client delivery, B2B growth consulting, sales operations, and cross-functional team leadership. Currently leads 10+ concurrent engagements for IT staffing firms, managing scope, timelines, stakeholder reporting, SLAs, GTM strategy, and AI-powered outreach integrations that generate 25–60 qualified meetings per quarter. Skilled in Agile and waterfall methodologies, resource allocation, risk assessment, change control, process improvement, financial coordination, and stakeholder engagement, with a strong foundation in information technology and postgraduate project management studies.

PROFESSIONAL EXPERIENCE

BRND GURU LTD

May 2021 - Present

Strategy Lead

London, UK (Remote)

- B2B Growth Consulting: Delivered B2B growth consulting for IT Tech Staffing firms (\$500K–\$25M revenue), consistently generating 25–60 qualified client meetings per quarter across 10+ concurrent client engagements.
- AI-Powered Outbound Systems: Architected multi-channel outbound system (LinkedIn + Email + WhatsApp) across 5–8 dedicated senders per client, with 10 specialised AI agents handling personalisation, intent detection, reply management, and post-meeting follow-up.
- Custom Integrations: Designed and built ATS-to-outreach pipelines, real-time intelligence dashboards, and hiring-manager client portals.
- Programme Delivery: Led end-to-end programme management for 10+ concurrent client engagements – scope, timelines, stakeholder reporting, outcome accountability.
- GTM Strategy: Developed full GTM strategy, ICP targeting, messaging frameworks, and pricing models calibrated for IT staffing margins.
- Client Success: Managed full client success lifecycle – onboarding, delivery, retention, upsell – with contractual outcome SLAs.

VS Retail Ltd

April 2023 - August 2024

Assistant Project Manager

Chelmsford, UK

- Coordinated and Implemented Project Processes: Assisted in developing and executing efficient project workflows, ensuring accurate resource allocation and timely completion of tasks to meet project objectives and maintain optimal operational efficiency.
- Engaged with Stakeholders: Applied strong interpersonal skills to communicate effectively with team members and clients, actively participating in project discussions to drive engagement and enhance stakeholder satisfaction.
- Managed Financial Transactions: Oversaw billing processes and maintain accurate financial records, ensuring smooth transactions while also contributing to project budgeting and reporting on strategic decision-making.

Nature Empowered

January 2023 - April 2023

Project Assistant

Ilford, UK

- Developed strategic plans for live content on Tik-Tok, coordinating with teams to ensure optimal resource allocation and engaging execution.
- Applied project management skills to enhance audience engagement during live sessions, utilising feedback loops for continuous improvement and a better-viewed experience.
- Collaborated with brands to refine their messaging during live content, aligning brand objectives with project goals for extensive reach and effective engagement.

BYJU's Think Learn Pvt. Ltd

April 2022 - December 2022

Central Training Partner

India

- Created and updated SOP documents for new product launches at BYJUs, providing comprehensive training decks for effective onboarding and continuous learning.
- Conducted regular biweekly training sessions, covering the entire BYJU's process, from foundational to advanced levels, including product training, calling pitch refinement, and effective sales pitching.
- Assessed team performance over a two-week period, providing constructive feedback to individuals based on their performance metrics, fostering growth and improvement within the team.

Business Development Manager

April 2021 - April 2022

- Conducted daily team meetings to provide product and counselling process training, fostering a motivated sales-oriented environment for effective sales strategies.
- Conducted regular audits on team calls and counselling sessions, utilising insights to drive continuous improvement in sales techniques and customer engagement.
- Maintained accurate records of orders and ensured timely follow-ups with senior managers, actively managing customer escalations and maintaining a Streamlined communication matrix for effective project coordination.

Business Development Executive

December 2019 - April 2021

- Conducted regular calls to prospective clients, fostering strong relationships and understanding their specific needs for personalised counselling services.
- Conducted informative and empathetic home visits to counsel children and their families, tailoring solutions to their unique requirements and fostering a supportive environment.
- Set and met weekly targets for client engagement and successful conversions, demonstrating strong time management and organisational skills to achieve desired outcomes and exceed performance expectations.

Bajaj Finserv
